

Adopting The Ulster County Green Fleet Policy

WITHDRAWN BY SPONSORS

Referred to: The Energy and Environment Committee (Chairman Loughran and Legislators R. Parete, Rodriguez, Ronk and Wawro)

Legislators Tracey A. Bartels and Manna Jo Greene, and Legislator Loughran offer the following:

WHEREAS, the operation and maintenance of the County vehicle fleet is essential to the ability to provide a wide range of services to the public; however, the fleet represents a significant environmental and financial cost to Ulster County; and

WHEREAS, Ulster County has become a leader in environmental stewardship and the County Legislature desires to continue being environmentally conscientious and chooses to lead by example; and

WHEREAS, in addition to the environmental impacts inherent is a green fleet, the Ulster County Legislature also recognizes the potential fiscal benefits by decreasing traditional fuel use; now, therefore, be it

RESOLVED, that the Ulster County Legislature hereby establishes and adopts the “Ulster County Green Fleet Policy” attached hereto as Exhibit A,

and move its adoption.
