Dear Ulster County residents,

On behalf of the Ulster County Legislature, it is my pleasure to provide you with the 2019 Ulster County Directory. Contained within is contact information for all your Ulster County representatives as well as County departments and partner agencies. You will also find a comprehensive listing of your Federal, State, and local officials. It is a valuable resource for anyone seeking easy access to their local government.

In addition, I encourage you visit the Ulster County website at www.UlsterCountyNY.gov for access to even more information including everything from live webcasts of legislative sessions to information on the latest news and events happening around Ulster County. Public participation is crucial to a responsive representative democracy. We encourage you to take part and to make your voice heard.

This year's cover photo of climbers on the world famous Shawangunk Ridge was taken by Martin Molitoris of Rosendale. It perfectly captures the breathtaking beauty of our region from a unique and special vantage point. There is so much that Ulster County has to offer residents and visitors alike. I hope that you have the opportunity to continue to explore the history and geographical diversity of Ulster County.

Should you require any assistance with the many services that we provide, please to do not hesitate to contact me or your Ulster County legislator directly. We appreciate the opportunity to serve you and continue to work on your behalf.

Tracey A. Bartels, Chairwoman
Ulster County Legislature
