Operation**

RESOLVED, the segmented “Rail with Trail” policy established in Resolution No. 275 of 2014, as amended pursuant to Resolution No. 488 of 2015, shall be further amended as follows:

~~The segment between MP 8.33 and Basin Road will require further investigation on the future feasibility of rail with trail and shall be the last segment to be altered or converted on the east side of the Ashokan provided that trail connectivity co-located on the corridor shall be preserved.~~

“An increased available railroad segment shall exist, co-located with public trail wherever feasible, in the segment between MP 8.33 and Basin Road at MP 10.01, which would increase the potential for Kingston based tourism theme trains by allowing them to be linked to the Ashokan Rail Trail at Basin Road at MP 10.01 without sacrificing trail connectivity from Kingston to the Ashokan Reservoir”; and, be it further

RESOLVED, that Ulster County shall amend the existing and future permits for tourism railroad operations originating in Kingston so that their length is extended from the current western limit of MP 8.33 to Basin Road at MP 10.01; and, be it further
