Chairwoman of the Law Enforcement and Public Safety Committee, Eve Walter, offers the following:

WHEREAS, the Ulster County Legislature is in receipt of, and has reviewed, the report of the UC-CJRTF; and

WHEREAS, Ulster County sees an average of 30 opioid overdoses each month, a rate driven consistently higher since the start of the COVID-19 pandemic, with Ulster County HEAL reporting 526 confirmed opioid-related overdoses and 71 fatalities in our County from May 2020 through May 2021; and

WHEREAS, in 2020, Ulster County lost its only inpatient emergency mental health and substance abuse recovery beds when Westchester Medical Center/Health Alliance of the Hudson Valley moved their beds to Dutchess County to make room for a potential surge in COVID-19 patients; and

WHEREAS, while law enforcement utilizes the psychiatric emergency room when the need arises, many are faced extreme delays in access to intervention services, or a lack of available mental health and/or detox beds, resulting in an estimated 65% of those seen in our regional psychiatric emergency room being directly discharged, supporting the need for non-hospital level services for these individuals; and
