WHEREAS, the UC FMRC met a total of nine (9) times between March 11 and December 16, 2024, during which time they conducted an extensive review of the county’s entire fleet, take home vehicles and their assignment, fleet management costs and vehicle replacement schedules, existing policies and procedures, fleet management best practices, and other items, and meet with fleet management personnel, executive staff and department heads; and

**Resolution No. 52      March 18, 2025**

WHEREAS, pursuant to Resolution No. 676 of 2023, the UC FMRC has compiled its findings and recommendations into a revised Ulster County Fleet Vehicle Take-Home Policy for the Legislature’s consideration; now, therefore be it
