

A Message From Chairman David B. Donaldson - Ulster County Food Pantries and Non-Profits Continue To Need Our Support

"I am proud to call Ulster County home because of the way we rise to meet challenges, and rally to help one another. I have put together some information that may help if you or someone you know is in need of a little extra help as we continue our efforts to recover from the COVID-19 pandemic.

If you are fortunate enough to find yourself in a position to give, it is more important now than it has ever been to support our food pantries and non-profit organizations in Ulster County who dedicate their time, efforts, and resources to help those most in need. Last year many more families have needed a little help putting food on the table, accessing health care, and making ends meet, and Ulster County's Non-Profit Organizations and Food Pantries have done their best to meet the increased demand.

They can't do it alone. I encourage everyone who has the means to donate to these amazing places so they can continue helping Ulster County families. Please [CLICK HERE](#) for a list of Food Pantries throughout the county. Please [CLICK HERE](#) for a number of area Non-Profits.

Every little bit helps and thank you."
