Statement from Ulster County Legislature Chair Peter Criswell on the Passing of Joe Cotter

(Kingston, NY) – "We are deeply saddened by the sudden passing of Joe Cotter, a visionary leader whose transformative work on the iPark 87 redevelopment leaves an enduring legacy for Ulster County and beyond. Joe was more than a developer; he was an innovator who breathed new life into spaces others had given up on. His commitment to revitalizing the former IBM campus is a testament to his groundbreaking approach to economic growth and community building, paving the way for opportunity and prosperity in our community. On behalf of the Ulster County Legislature, I extend our deepest condolences to Joe's family, friends, and colleagues. His contributions will not be forgotten and will continue to shape Ulster County's future," said Peter Criswell, Chair of the Ulster County Legislature.
