## County Of Ulster

### **A Local Law Amending Local Law 6 of 2014, To Improve And Strengthen The Sustainable Energy Loan Program**

**BE IT ENACTED**, by the County Legislature of the County of Ulster, New York, as follows:

#### **SECTION 1. LEGISLATIVE INTENT AND PURPOSE.**

This Legislature hereby finds and determines that the County of Ulster enacted Local Law No. 6 of 2014 (codified as Chapter 190 of the Code of the County of Ulster), pursuant to provisions of New York General Municipal Law, to establish a Sustainable Energy Loan Program. This program authorized the Energy Improvement Corporation (“EIC”), a local development corporation acting on behalf of the County of Ulster, to make funds available to qualified property owners for the installation of renewable energy systems and energy-efficiency measures.

This Legislature further finds that in the past, EIC utilized two products to offer these loans: the Energize NY PACE Finance 1.0 and the Energize NY PACE Finance 2.0. However, it was difficult to obtain financing for those products. Accordingly, EIC has developed a new product for offering the sustainable energy loan program (known as the Energize NY Open C-PACE Financing Program) which will enable EIC to obtain additional funding and thereby offer more loans to qualified property owners for the installation of renewable energy systems and energy-efficiency measures. EIC has requested that the County amend Local Law No. 6 of 2014 to enable EIC to offer the Energize NY Open C-PACE Financing Program to qualified property owners within the County.

Therefore, the purpose of this law is to amend Local Law No. 6 of 2014 so that it will permit EIC to offer the Energize NY Open C-PACE Financing Program to qualified property owners within the County.

#### **SECTION 2. Section 1 of Local Law No. 6 of 2014 (as amended by Local Law No. 2 of 2018) is hereby amended to read as follows:**

This local law shall be known as the “Energize NY Open C-PACE Financing Program.”

#### **SECTION 3. Section 2 of Local Law No. 6 of 2014 (as amended by Local Law No. 2 of 2018) is hereby amended to read as follows:**

- A. The principal amount of the funds loaned to the Benefited Property Owner for the Qualified Project, together with Eligible Costs and Financing Charges approved by EIC and by the Financing Party, shall be specially assessed against the Benefited Property and will be evidenced by a Benefit Assessment Lien recorded against the Benefited Property on the land records on which liens are recorded for properties within the County. Said amount shall be annually levied, billed and collected by EIC, on behalf of the County, and shall be paid to the Financing Party as provided in the Finance Agreement.
  
- B. The term of such repayment shall be determined at the time the Finance Agreement is executed by the Benefited Property Owner and the Financing Party, not to exceed the weighted average of the useful life of the systems and improvements as determined by EIC acting on behalf of the County.
  
- C. The rate of interest for the Secured Amount shall be fixed by the Financing Party in conjunction with the EIC, acting on behalf of the County, as provided in the Finance Agreement.

**SECTION 11. There shall be a new section 9 inserted into Local Law No. 6 of 2014 (as amended by Local Law No. 2 of 2018) which shall read as follows:**

**Local Law Number 9 Of 2019**

**County Of Ulster**

**A Local Law Amending Local Law 6 of 2014, To Improve And Strengthen The Sustainable Energy Loan Program**

- A. Upon the making of the loan pursuant to the Finance Agreement, the Secured Amount shall become a special Benefit Assessment Lien on the Benefited Property in favor of the County. The amount of the Benefit Assessment Lien shall be the Secured Amount. Evidence of the Benefit Assessment Lien shall be recorded by EIC, on behalf of the County, in the land records for properties in the County. Such recording shall be exempt from any charge, mortgage recording tax or other fee in the same manner as if recorded by the County. The Benefit Assessment Lien shall not be foreclosed upon by or otherwise enforced by the County.
- B. The Finance Agreement shall provide for the repayment of the Secured Amount in installments made at least annually, as provided in a schedule attached to the Benefit Assessment Lien (the "Annual Installment Amount"). The Annual Installment Amount shall be levied by EIC, on behalf of the County, on the Benefited Property in the same manner as levies for municipal charges or taxes, shall become a lien on the Benefited Property as of the first day of January of the fiscal year for which levied (the "Annual Installment Lien") and shall remain a lien until paid. The creation or any recording of the Annual Installment Lien shall be exempt from any charge, mortgage recording tax or other fee in the same manner as if recorded by the County. Payment to the Financing Party shall be considered payment for this purpose. Such payment shall partly or wholly discharge the Annual Installment Lien. Delinquent Annual Installment Amounts may accrue Financing Charges as may be provided in the Finance Agreement. Any additional Financing Charges imposed by the Financing Party pursuant to the Finance Agreement shall increase the Annual Installment Amount and the Annual Installment Lien for the year in which such overdue payments were first due.
- C. The Benefit Assessment Lien shall be reduced annually by the amount of each Annual Installment Lien when each Annual Installment Lien becomes a lien. Each Annual Installment Lien shall be subordinate to all Municipal Liens, whether created by Section 902 of the RPTL or by any other State or local law. No portion of a Secured Amount shall be recovered by the County, EIC, or an assignee upon foreclosure, sale or other disposition of the Benefited Property unless and until all Municipal Liens are fully discharged. Each Annual Installment Lien, however, shall have priority over all Non-Municipal Liens, irrespective of when created, except as otherwise required by law.

**Local Law Number 9 Of 2019**

**County Of Ulster**

**A Local Law Amending Local Law 6 of 2014, To Improve And Strengthen The Sustainable Energy Loan Program**

- D. Neither the Benefit Assessment Lien nor any Annual Installment Lien shall be extinguished or accelerated in the event of a default or bankruptcy of the Benefited Property Owner. Each Annual Installment Amount shall be considered a charge upon the Benefited Property and shall be collected by EIC, on behalf of the County, at the same time and in the same manner as real property taxes or municipal charges. Each Annual Installment Lien shall remain a lien until paid. Amounts collected in respect of an Annual Installment Lien shall be remitted to EIC, on behalf of the County, or the Financing Party, as may be provided in the Finance Agreement.
- E. EIC shall act as the County's agent in collection of the Annual Installment Amounts. If any Benefited Property Owner fails to pay an Annual Installment Amount, the Financing Party may redeem the Benefited Property by paying the amount of all unpaid Municipal Liens thereon, and thereafter shall have the right to collect any amounts in respect of an Annual Installment Lien by foreclosure or any other remedy available at law. Any foreclosure shall not affect any subsequent Annual Installment Liens.
- F. EIC, on behalf of the County, may sell or assign for consideration any and all Benefit Assessment Liens and Annual Installment Liens to Financing Parties that provide financing to Qualified Properties pursuant to Finance Agreements. The Financing Parties may sell or assign for consideration any and all Benefit Assessment Liens and Annual Installment Liens received from EIC, on behalf of the County, subject to certain conditions provided in the administration agreement between EIC and the Financing Party. The assignee or assignees of such Benefit Assessment Liens and Annual Installment Liens shall have and possess the same powers and rights at law or in equity as the County would have had if the Benefit Assessment Lien and the Annual Installment Liens had not been assigned with regard to the precedence and priority of such lien, the accrual of interest and the fees and expenses of collection.
