### A Local Law To Authorize County Registry For Domestic Partners

**BE IT ENACTED**, by the Legislature of the County of Ulster, as follows:

#### **SECTION 1. LEGISLATIVE INTENT.**

The Ulster County Legislature hereby finds and determines that the American tradition of equal opportunity and the exercise of individual rights protects all citizens against discrimination.

The Legislature further finds that many couples who live together often have personal relationships and bonds that are as strong as married couples and who nurture and care for one another in sickness and health.

The Legislature hereby determines that the COVID-19 Pandemic demonstrated the need to provide domestic partners in committed relationships with a means to legally establish that relationship because there are situations in which one partner was disabled or killed and the other partner has been denied the ability to collect insurance, reside in their partner's residence, claim next of kin benefits, or even to visit their hospitalized partner.

Therefore, the purpose of this law is to establish an Ulster County registry for domestic partners of county residents and/or employees.

#### **SECTION 2. DEFINITIONS.**

- A. **“Domestic partners”** shall mean persons who have a registered domestic partnership, including any partnership registered pursuant to this law.
- B. **“Registry of domestic partnerships”** shall mean the registry maintained by the County Clerk pursuant to this law, including all domestic partnerships registered.
- C. **“Statement of Domestic Partnership Affidavit”** shall mean an affidavit prepared by the office of the County Clerk in accordance with the rules adopted by the County Clerk.
