County Of Ulster

A Local Law Amending Local Law No. 5 Of 1991 (A Local Law Adopting A Hotel And Motel Room Occupancy Tax) To Update The Tax Law's Application To Short-term And Vacation Rentals

BE IT ENACTED, by the Legislature of the County of Ulster, as follows:

SECTION 1. TITLE.

This Local Law shall be known and referred to as the “21st Century Bed Tax.”

SECTION 2. LEGISLATIVE INTENT.

The Ulster County Legislature desires to create a sense of fairness across the tourism industry by equally applying the 2% Hotel and Motel Room Occupancy Tax to both traditional operators of hotels (who already pay and register with the County), as well as non-traditional operators who offer short-term and vacation rental properties through the use of hosting platforms (who often do not pay and register).

The Ulster County Legislature believes that this Local Law will benefit the County by generating greater revenue and overhauling a tax system to address 21st Century business realities while providing economic relief to municipalities.

SECTION 3. DEFINITIONS.

Section 312-5(C) of Local Law No. 5 of 1991 is hereby amended as follows:

Hosting Platform [shall mean] **An internet, application, technology, and/or similarly based service through which a third party desiring to offer an accommodation (a “host”) and a third party desiring to book an accommodation (a “guest”) have the opportunity to communicate, negotiate, and consummate a booking transaction for transient lodging accommodations pursuant to a direct agreement between a host and guest to which the hosting platform is not a party but still collects payments for rent on behalf of or for the host. Merely publishing an advertisement for transient accommodations does not make the publisher a hosting platform. For the sole purposes of tax registration, collection, and remittance under this Article, the hosting platform shall assume and be limited to the duties of hotel/motel operator for only those booking transactions completed through the respective hosting**

Hotel or Motel [shall mean] A building or portion of it which is regularly used and kept open as such for lodging on an overnight basis. The term 'hotel' or 'motel' includes an apartment hotel, motor court or inn, boardinghouse or club, **short-term or vacation rental**, or similar hotel or motel type of accommodations by whatever name designated, whether or not meals are served, and shall include those facilities commonly known as 'bed-and-breakfast' and 'tourist' facilities. Rent received by operators of bungalow colonies shall not be deemed to be taxable, provided that each occupant shall occupy rooms pursuant to a written agreement providing for the exclusive possession of such room for a period of 90 days or more, and provided further that there are no maid, food or other common hotel services provided.

"Short-term" and "vacation rentals" shall mean and include those units rented or leased to occupants – other than permanent residents – of furnished apartments or living units in or consisting of a dwelling place ordinarily occupied for residential purposes or location that is otherwise made available for sleeping accommodations, directly by the owner or through an owner's agent or hosting platform.

article, and the operator shall have the same right in respect to collecting the tax from the occupant, or in respect to nonpayment of the tax by the occupant, as if the tax were a part of the rent for the occupancy payable at the time such tax shall become due and owing, including all rights of eviction, dispossession, repossession and enforcement of any innkeeper's lien that he may have in the event of nonpayment of rent by the occupant; provided, however, that the Commissioner of Finance or other fiscal officer or officers, employees or agents duly designated by him shall be joined as a party in any action or proceeding brought by the operator to collect or enforce collection of tax. **A hosting platform, under a voluntary collection agreement with the County, which facilitates a transaction between a host and guest for transient lodging accommodations shall be solely responsible and liable for collecting and remitting the tax to the County; and the host of the rented property who is not the hosting platform shall not be responsible for collecting and remitting the tax to the County on any transaction for which it has received confirmation that the hosting platform has collected the aforementioned tax and remitted it back to the County pursuant to a voluntary collection agreement; otherwise, hosts of short-term or vacation rental properties shall be liable for the collection and remittance of the tax if no such voluntary collection agreement between a hosting platform and the County has been executed.**

Section 312-7 (C) of Local Law No. 5 of 1991 is hereby repealed and replaced to read as follows:

C. Determination of taxable rent.

(1) If the cost of occupancy of a room includes only the cost of occupancy of the room and board and other charges are separately stated and are incurred at the option of the occupant and/or at the request of a hosting platform, rent subject to the tax shall be the charge made by the operator for the occupancy of a room and the tax shall only be based upon that amount.

(2) If the operator neither separately states the charge for board, other charges including those added by a hosting platform, or both then the entire charge is taxable until the occupant becomes a permanent resident.

(3) When the occupant becomes a permanent resident, the operator shall discontinue collection of the tax.
