ULSTER COUNTY LEGISLATIVE CHAIRMAN TERRY BERNARDO ANNOUNCES THE PUBLICATION OF THE 2012 ULSTER COUNTY DIRECTORY

Ulster County Legislature Chairman Terry Bernardo has announced the publication and release of the 2012 Ulster County Directory. This pocket sized booklet is packed with information and has contacts for every level of government – from villages and towns to Congress and the President.

“That government is the strongest of which every man feels himself a part,” Bernardo said quoting Thomas Jefferson, adding, “This booklet is designed to facilitate *you* becoming a part of *your* County government.”

The 2012 Ulster County Directory features the new 23 single member Legislative districts and has dozens of updates for local municipalities. Senior Legislative employee Tammy Wilson is responsible for compiling the information and says “I am excited to make this useful tool available to the public and hopes that all citizens of Ulster County will take advantage of this resource.”

Bernardo also complimented Ulster County Legislator Carl Belfiglio, (R), Port Ewen, for the cover photo on this year’s directory. The photo taken by Belfiglio at Sanctuary Pond, a feature of the 192 acre John Burroughs “Slabsides” nature preserve in the town of Esopus. “It was chosen to highlight Ulster County’s close ties to our environment,” Chairwoman Bernardo added. “

“As an elected official it’s important to use all your talents to serve the public.” Belfiglio said, “and being able to contribute to this directory is an example of my commitment to Ulster County and the people I represent”.

Chairwoman Bernardo states, “Together we will continue to build Ulster County’s future, preserve her history, and protect her resources. On Behalf of the entire Legislature, we thank you for the opportunity to serve you.”
