Referred to: The Public Works and Capital Projects Committee (Chairman Fabiano and Legislators Maloney, Roberts, Briggs and John Parete) and The Environmental, Energy and Technology Committee (Chairman Belfiglio and Legislators Lopez, Ronk, Wawro, Bartels, John Parete and Wishnick)

Legislator David B. Donaldson offers the following:

WHEREAS, the Ulster County Soil and Water Conservation District (the “District”) has a need to propagate various plant species for conservation planting throughout Ulster County, and

WHEREAS, the conservation plantings will be done to combat stream erosion as well as to increase habitat for wildlife, and

WHEREAS, the District desires to operate a plant material center that will serve as a nursery for growing the various plants needed by the District, and

WHEREAS, Ulster County, in conjunction with the District, has identified two plots of land located at the Ulster County Fairgrounds, which are suitable for the operation of a plant material center, and

WHEREAS, the District will be responsible for operational and maintenance costs associated with the plant material center, and

WHEREAS, the proposed project constitutes a Type II action under sections 2.1, 2.2, and 2.27 of the County of Ulster’s State Environmental Quality Review Act (SEQRA) Type II List that was adopted in Resolution No. 118 on April 20, 2010, and

WHEREAS, Ulster County determines that this action does not pose a significant potential environmental impact and may be progressed as a Type II action in accordance with 6 NYCRR Part 617 of SEQRA, now, therefore, be it

RESOLVED, that the Chair of the Ulster County Legislature is hereby authorized to execute a license agreement, and any amendments thereto, with the Ulster County Soil and Water Conservation District, permitting the use of County property located at the Ulster County Fairgrounds as a plant materials center, in the form as filed with the Clerk of the Ulster County Legislature, or as modified with the approval of the County Attorney,
