## County of Ulster

### **A Local Law Amending Chapter 37 Of The Code Of The County Of Ulster Regarding Automatic Re-Canvassing Procedure In And For The County Of Ulster, State Of New York**

**BE IT ENACTED**, by the Legislature of the County of Ulster, as follows:

#### **SECTION 1. LEGISLATIVE INTENT.**

The Ulster County Legislature deems public trust in the electoral process to be of paramount importance.

Pursuant to Local Law No. 5 of 2015, adopted March 17, 2015, the Ulster County Legislature established an automatic re-canvassing procedure in and for the County of Ulster. This law was subsequently amended on August 18, 2015. After recent experience with the current law in place, the Ulster County Legislature deems it appropriate to make further revisions to the existing law to improve procedure and operate in the best interest of the people of Ulster County.

The Ulster County Legislature recognizes that undertaking a recount is an expensive and time-consuming, yet valuable process. Currently, no timeline for completing a recount exists. In the event of a recount, the process for counting the majority of cast ballots should begin as early as possible and should happen concurrent with other canvassing efforts and potential court cases. If not completed by January 1<sup>st</sup>, this process can prevent a smooth transition of power in elected offices putting the continuation of county services in jeopardy, including those that impact public safety.

Several safeguards currently exist and are incorporated into an accountability process. Numerous tests of the voting systems are conducted prior to each election. In addition, a randomized hand-count audit is conducted of machines post-election to ensure that machine totals match the paper ballot count.

The Ulster County Legislature further finds a candidate who loses an election by a close margin should be able to request a recount. However, taxpayers should not be forced to bear the cost of a recount that is not intentionally requested by a candidate.

**SECTION 2. Chapter 37. Elections of the Code of the County of Ulster, Article I. Re-canvassing Procedure, § 37 – 3. Regulation. A. is hereby amended to read as follows:**

A. Forthwith after a primary, regular or special election for municipal office and prior to certification of the final vote count, the Ulster County Board of Elections shall manually re-canvass, upon request as described in subsection “G” below, all paper ballots for a given election where one person is to be elected in an election contest if the following criteria are met:

(1) The margin of victory is less than 1/2 of 1% of the total votes cast, minus blanks and voids, in any particular contest where the total number of votes cast is less than 3,000; or

(2) The margin of victory is less than 0.2% of the total votes cast, minus blanks and voids, in any particular contest where the total number of votes cast is 3,000 or greater.

**SECTION 3. Chapter 37. Elections of the Code of the County of Ulster, Article I. Re-canvassing Procedure, § 37 – 3. Regulation. B. is hereby amended to read as follows:**

**SECTION 4. Chapter 37. Elections of the Code of the County of Ulster, Article I. Re-canvassing Procedure, § 37 – 3. Regulation. D. is hereby repealed and replaced by the following:**

**SECTION 5. Chapter 37. Elections of the Code of the County of Ulster, Article I. Re-canvassing Procedure, § 37 – 3. Regulation. G. is hereby repealed and replaced by the following:**

Upon receipt of such filing, and only upon receipt of such filing, shall reconvassing provisions be automatically initiated.
